The Community Computer Connections Program (CCCP) is seeking volunteers for delivering and installing refurbished computers in Nassau and Suffolk Counties

CCCP is an all-volunteer organization, sponsored by RSVP, a not-for-profit agency. CCCP provides refurbished computer systems, free of charge, to needy individuals/families, Veterans and Active Reservists and their families, across Long Island who would otherwise not be able to afford this technology.

Since 2006 CCCP has delivered over 5600 computers to qualified recipients.

**CCCP has an innovative approach that responds to the needs of the community.
CCCP volunteers help to bring technology to deserving families.
CCCP volunteers help to make a difference in the lives of others.**

We have an **URGENT** need for volunteers to deliver and install refurbished computers to our clients. If you have a car, some spare time and a basic knowledge of computers, we can use your help.

There is no specific volunteer schedule or number of hours required. You can accept assignments based on your capability and availability.

To become a volunteer or learn more about this program
email cccp.volunteer@rsvpsuffolk.org or call (631) 223-8405
